FOR IMMEDIATE RELEASE – July 16, 2013

Gilski Offers Impressive Sales and Leadership Experience as New Regional Sales Manager for Anderson & Vreeland

Bryan, OH - The appointment of Anthony Gilski as Midwest Regional Sales Manager for Anderson & Vreeland, Inc., leading manufacturer and distributor of flexographic plate processing equipment and materials, is announced by Bill Bower, Director of Sales.

“Tony’s leadership skills, plus his ability to motivate and mentor talent is perfect for his role as Regional Sales Manager for A&V, reinforcing our mission to provide solutions to the flexo market. His long-standing commitment to his previous employer and customers demonstrates a level of dedication that can only benefit A&V and our customers,” said Bower.

In his new position, Gilski will lead Anderson & Vreeland’s sales and support team offering flexo prepress equipment, material and software solutions for customers throughout the Midwestern United States. He will also focus on developing new business opportunities as Anderson & Vreeland expands its product offering to help

customers achieve success.

Prior to joining Anderson & Vreeland, Gilski worked for The Pitman Company in various sales and leadership positions for over 30 years. He is widely recognized for his leadership skills and ability to develop talent of his co-workers.

About Anderson & Vreeland, Inc.

Founded in 1961, Anderson & Vreeland has earned an international reputation as a leading provider of flexo prepress solutions for the graphic arts industry. The company offers a “systems” approach to conducting business by evaluating customer needs and offering the best solutions in the form of equipment, materials, training, and technology tailored for each customer. A&V supports these solutions with over 50 years of experience and a staff of technical sales representatives thoroughly knowledgeable about the fine points of flexo. The company’s substantial flexo experience and technical support sets it apart from other prepress suppliers. This experience and support results in smoother and easier integration of technical advancements affecting flexo prepress. Further information is available on the web at www.AndersonVreeland.com.
